Career Objective

A passionate and dedicated Bachelor of Computer Science and Information Technology (BSc. CSIT) student with a strong interest in web development and modern software technologies. Eager to apply technical knowledge to real-world projects while continuously learning new skills. A quick learner and highly motivated individual seeking opportunities to gain practical experience and contribute to innovative software solutions.

Technical Skills

- Programming Languages: C, C++, JavaScript
- Web Development: HTML, CSS, React
- Database: MongoDB, SQL

Education

Bachelor of Science in Computer Science & Information Technology (B.Sc. CSIT): Mechi Multiple Campus, Bhadrapur - 2079-present

Higher Secondary School: Ambition Academy - 2076-2079

Secondary School: Heritage National Academy – 2076

Projects

Mock-Mitra

Developed a responsive mock test platform for students with dynamic React routing, backend integration, and progress tracking features. Built an easy-to-use interface that allows students to take tests, evaluate their performance, and monitor their learning progress.

Languages

- Nepali: Native
- English: Professional working proficiency
- Hindi: Conversational

Experience

- Actively seeking opportunities to gain practical experience.
- Enthusiastic about applying academic knowledge to real-world software development projects.

Interests
